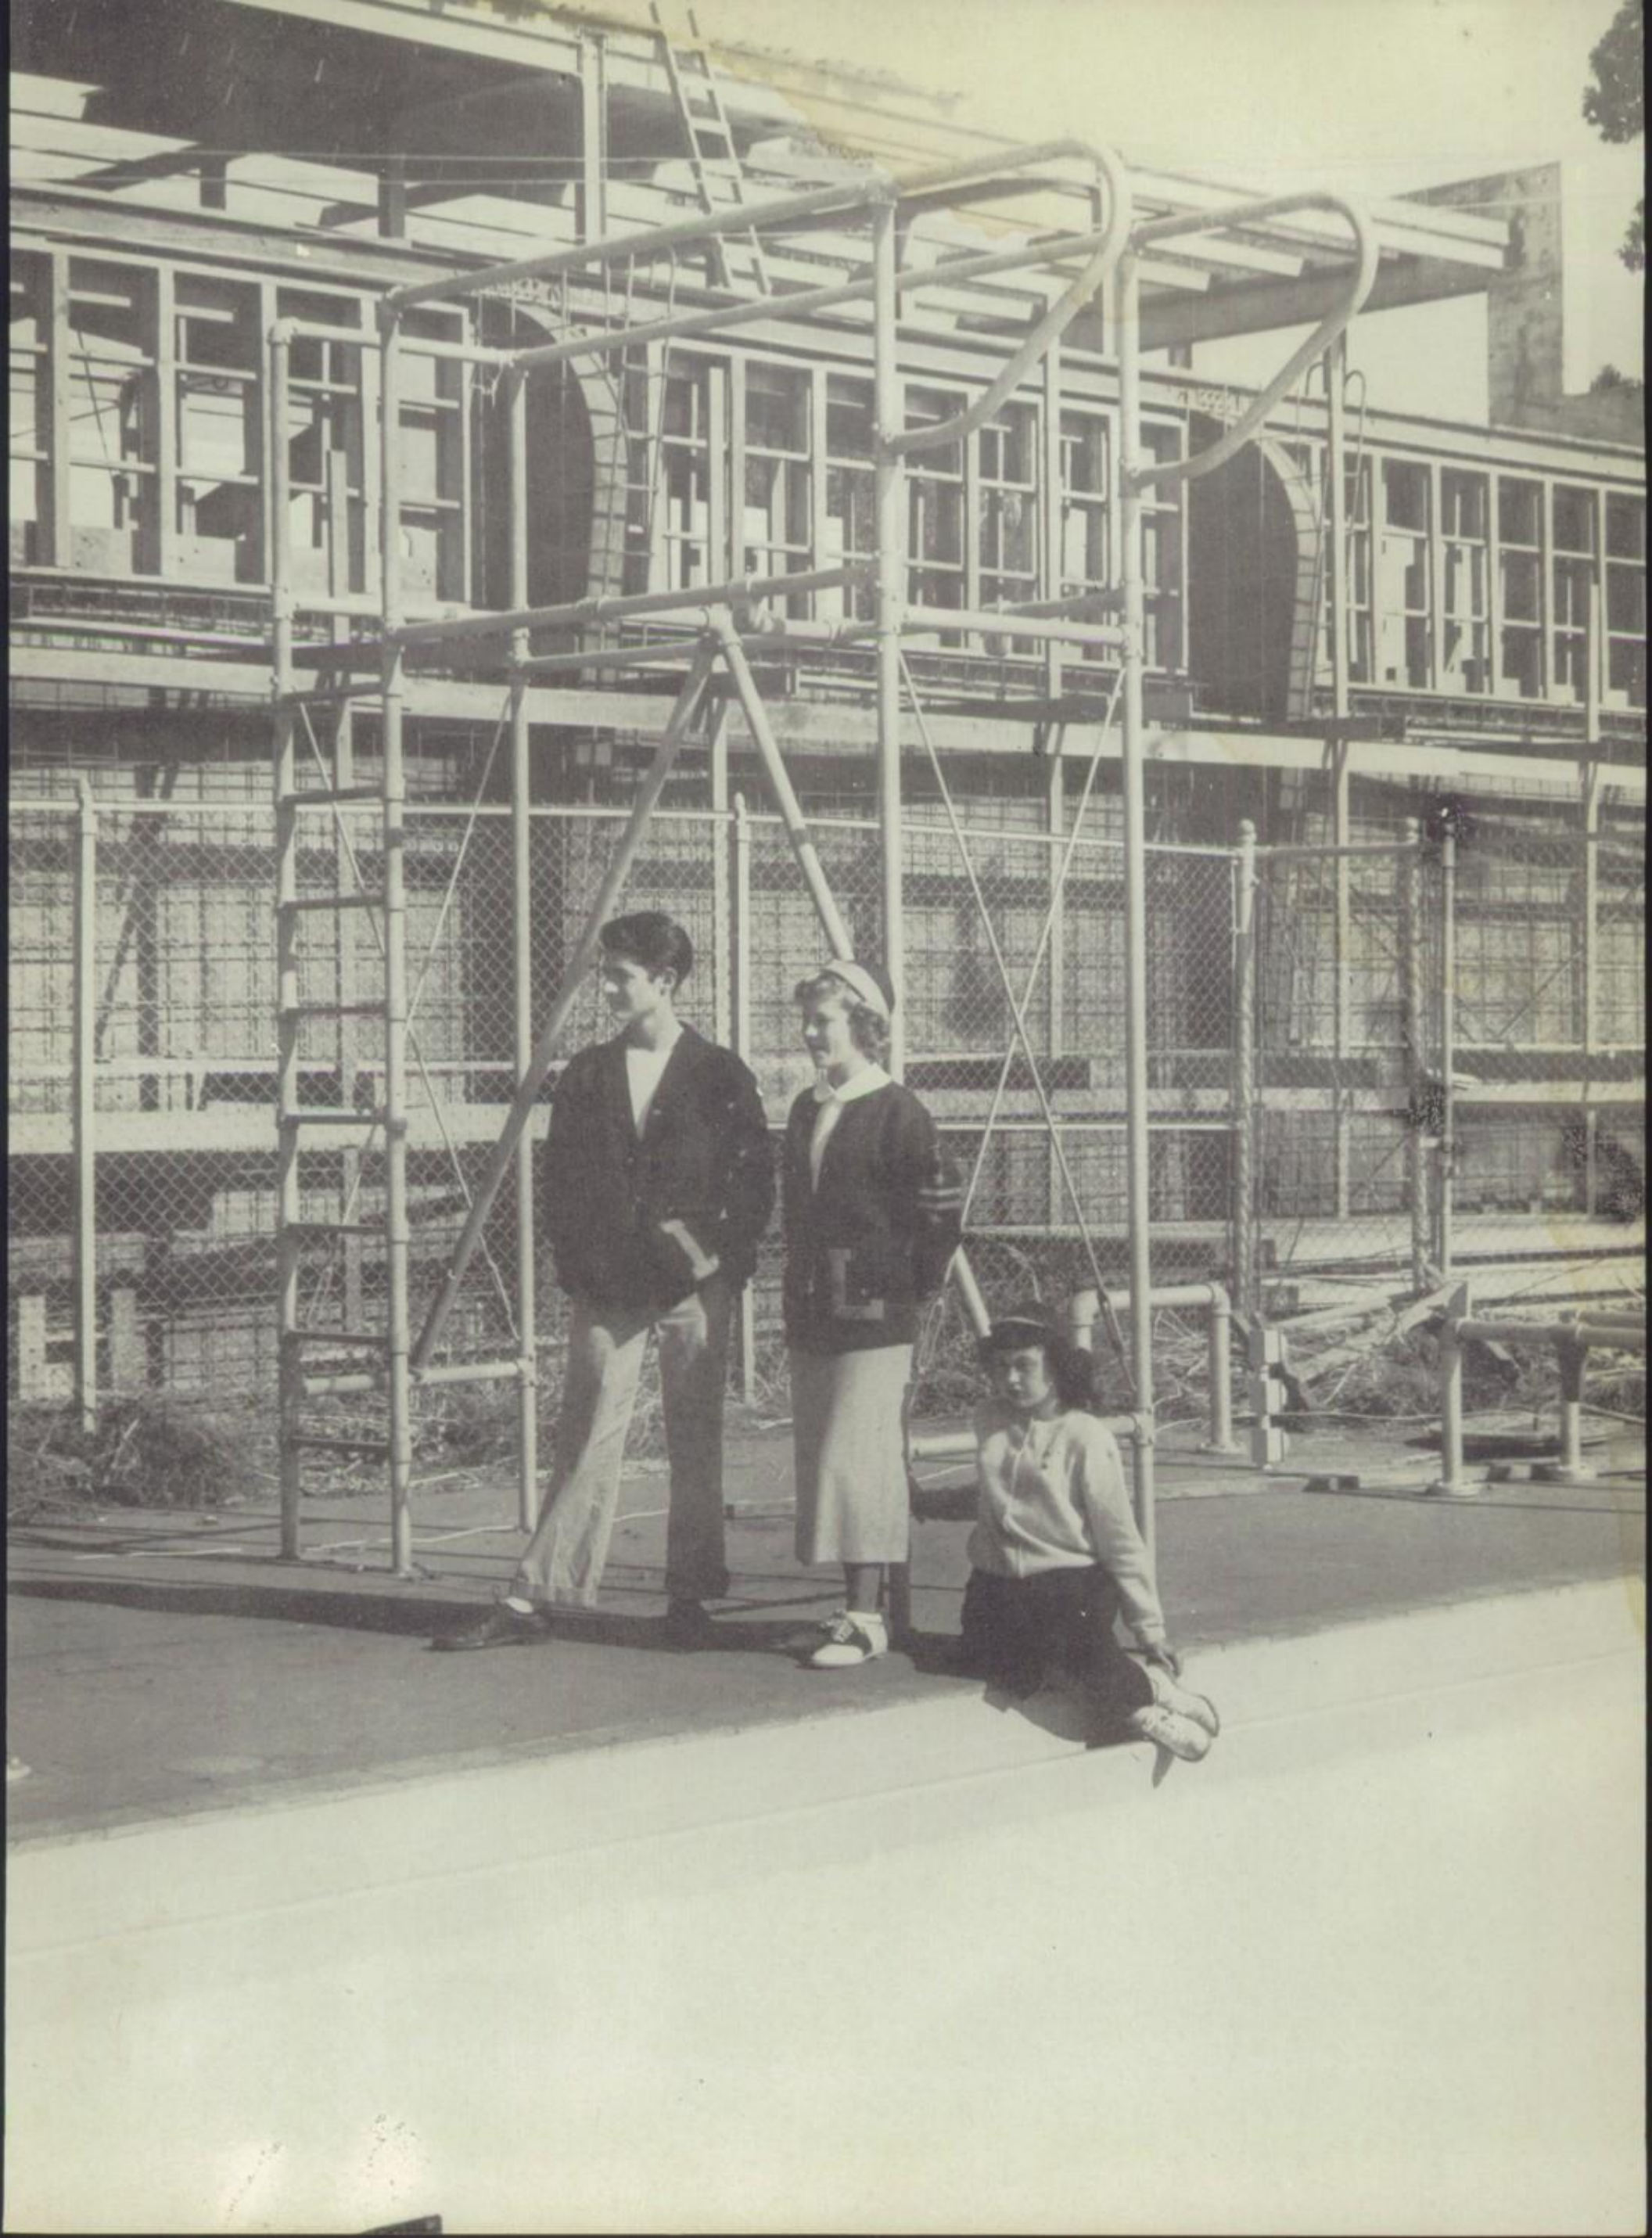
Fall . . .



It is a pleasure to welcome you this fall, the largest student body in the history of Abraham Lincoln High School. We are going to be crowded for a short time, at least, until our new physical education plant is completed. This is something we have dreamed of since the school was first started, and have hoped for since we planned for our pool. Now it is being realized!

If we are the largest group we can also be the best. This is a high challenge, for the classes ahead of you have maintained high standards in scholarship, service and activities. Do your best. Good luck!

FREDERIC T. SHIPP
Principal.

SEPTEMBER

A new year brought back some nine hundred students to the halls of Abraham Lincoln High School.

September started the Lions on another successful year in the cavalcade of sports. The football season found Lincoln tieing for second place. In basketball the "Rail Splitters" had a scrappy 110's and 120's squad, but once more surrendered to San Jose. The Lion babes were the first Lincoln team ever to play Bellarmine, and they won both games.

Miss Duignan, vice-principal, acts as Dean of Girls. Mr. Hunter serves as Boy's Dean, and this year Lincoln welcomed back Miss Bruch from Stanford, who acts as curriculum coordinator.

This group of bright looking people are members of Lincoln's faculty. Proving that they are good sports, they typify the fine qualities that our teachers have. There are not many schools where the teachers are talented or nice enough to give an assembly for the school.

Leading the school in their yells this spring are left to right, Stuart Welch, Rosalie Montalbano, Dick Johnson.

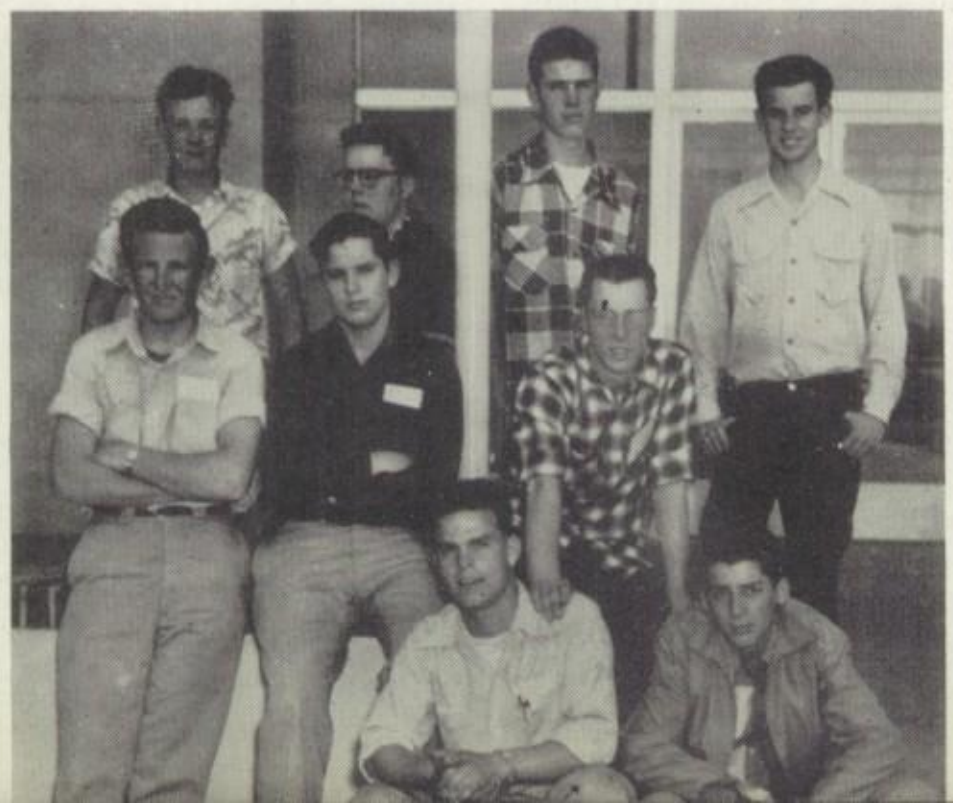
Football

Lincoln's '49 football squad was "one of the hardest working teams ever to come out of the student body," said Coach Lee Cox. This sums up very well the spirit that made our team unforgettably unique.

Although handicapped slightly by a lack of weight, they more than made up for it by their high spirits and lightning speed. After starting off slowly by losing a non-league tilt to Campbell, we took Salinas and four straight P.A.L. games. Our league victims were Jefferson, South City, San Mateo, and Sequoia. On the last three season games we fell, conquered by Palo Alto, Burlingame, and San Jose High. We ended up tied for third in the P.A.L. by winning 4 and losing 3 league games. The Lions outscored their opponents in the season's final totals by piling up 139 total points against 121.

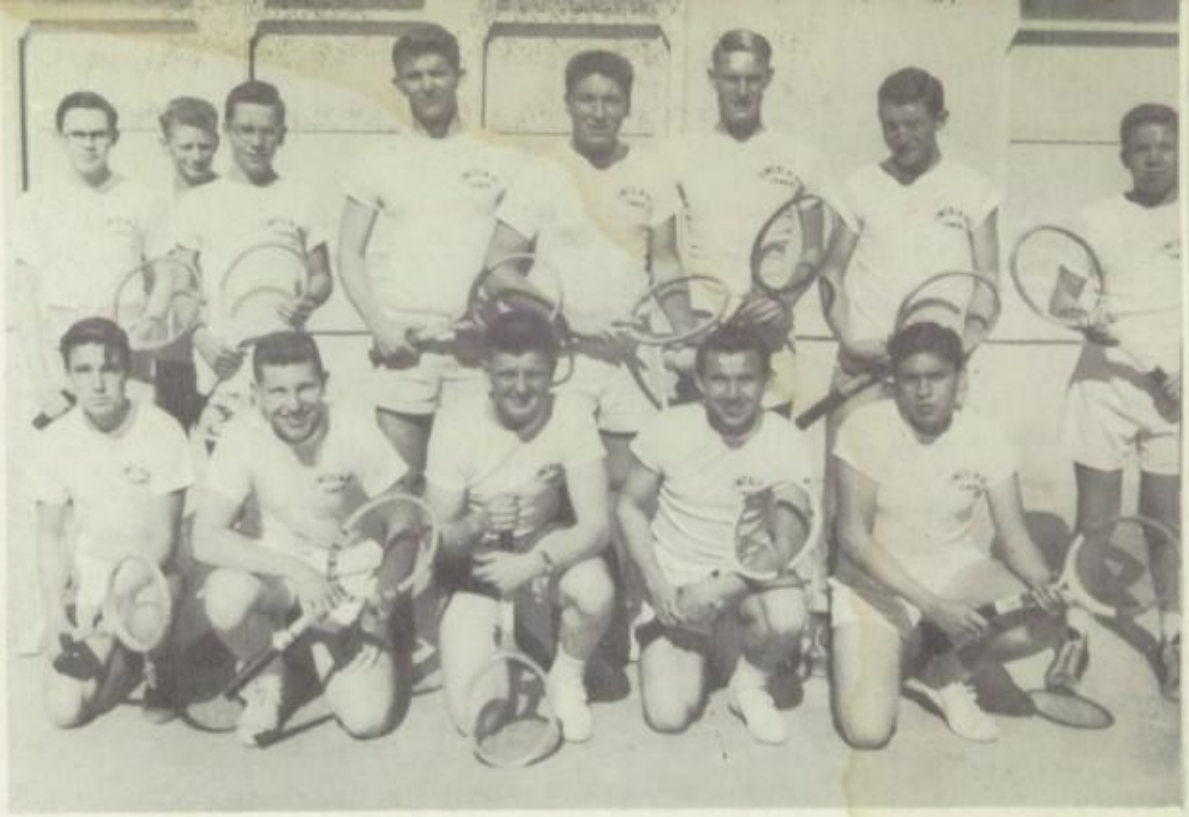
ATHLETIC MANAGERS

TOP ROW: Turner, N. Whaley, Hull, Moorehead. SECOND ROW: Hitchman, R. Whalley, Stevens. THIRD ROW: Coates, Ablett.



Pictured top to bottom are: Head Coach, Lee Cox; Asst. Coach, Ralph Sleight; Asst. Coach, Floyd Chandler; Head Basketball Coach, George Brink.

Tennis



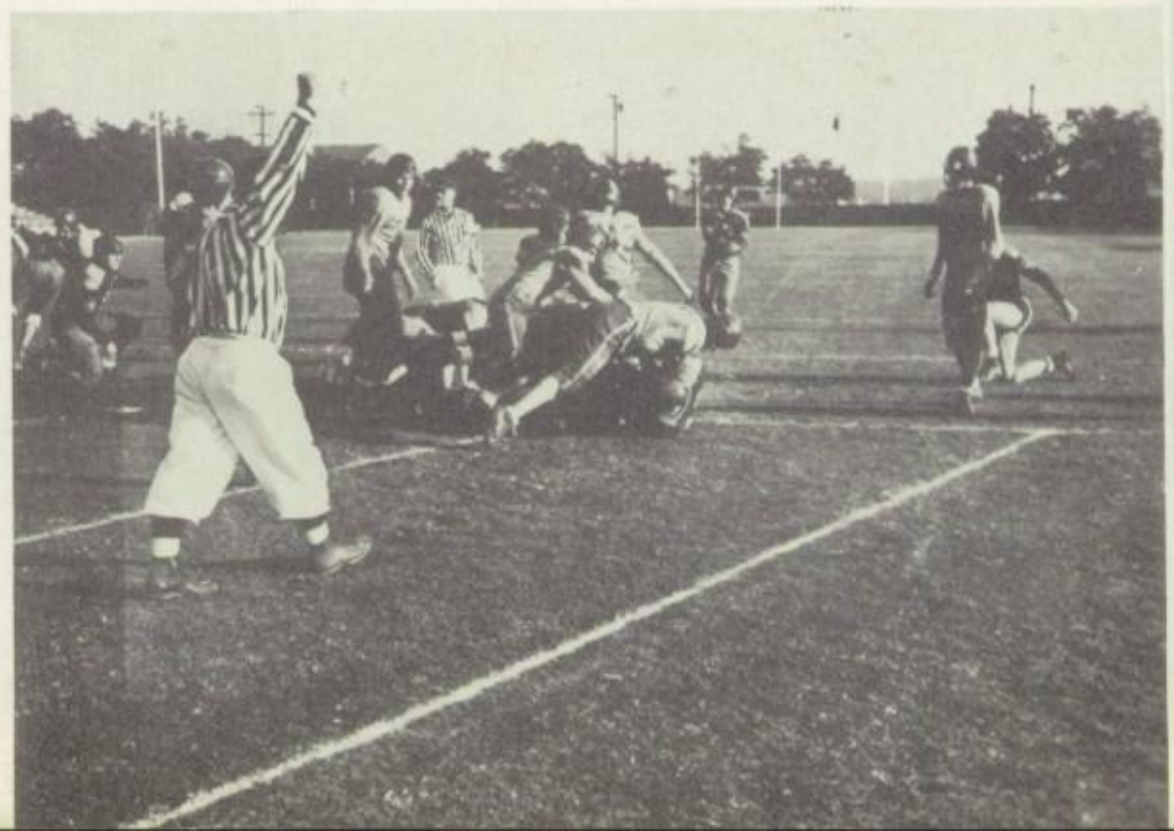
Our 1950 team has a new coach, Gordon Fechter, to lead it to "netting" victory. The members of the squad are as follows: TOP ROW: Bill Martin, Bob Harris, Bruce Eldridge, Bill Miley, Roger Lange, Harley Stallman, Bill Zilliox, Vernon Clinton. BOTTOM ROW: Bob Littlefield, Bert Burns, Pat Milligan, Ben Rodriquez, and Leonard Espinosa. Don Piazza is absent from the picture.

Sophomore Football

Under Mr. Russell's able direction the sophomore football squad obtained third place in the P.A.L. It's members are: FIRST ROW: Minoru Ikeda, Bill Schroeder, Jim Green, Gary Wallet, Merritt Johnson, Dick Trinidad, Bill Bardin, and Melvin Turner. SECOND ROW: Harold Garcia, Bill Schroeder, Gary Douglas, Ken Lehr. THIRD ROW: Craig Thrush, Bob De Lorenzo, Cliff Loughead, Roy Zwiefel, Bob Isaacson, Dick Threlfall, and Bud Nobles.

Golf

Coach Brink's golf team appears, at this writing, to be headed for its second P. A. L. championship. They have won every game to date. Due to unavoidable circumstances we were unable to publish their pictures. The members of the team are Gene Broderick, Al Compton, Stan Gum, Dick Johnson, Jim Unger, Gordon Williams, Don Colby, Gene Hyne, and Ken Willson.



The winners of the football contests are: TOP ROW: Battaglia, Coffin, Dumonceau. BOTTOM ROW: Shullman, Marquez, Davids, Smith, Pitts, and Worley.

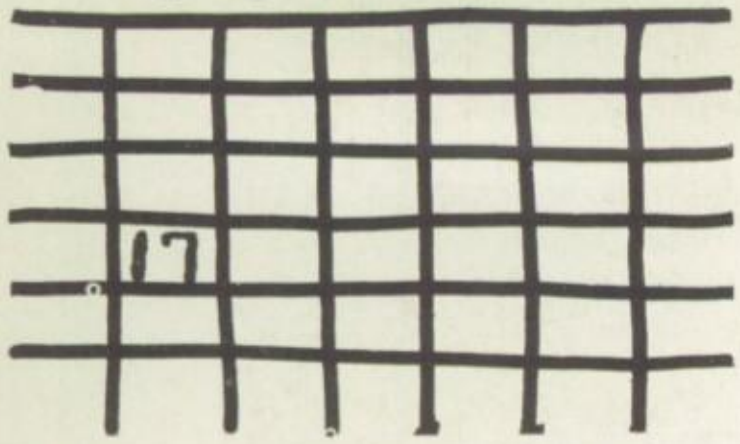
INTER MURALS

Basketball champs are Owsley, Phillips Perrin, Doudel, Mirto.

This team was the runner-up for the basketball honors. They are: Albaum, Shaw, Coelho, Summers, Shulman, and Hendry.

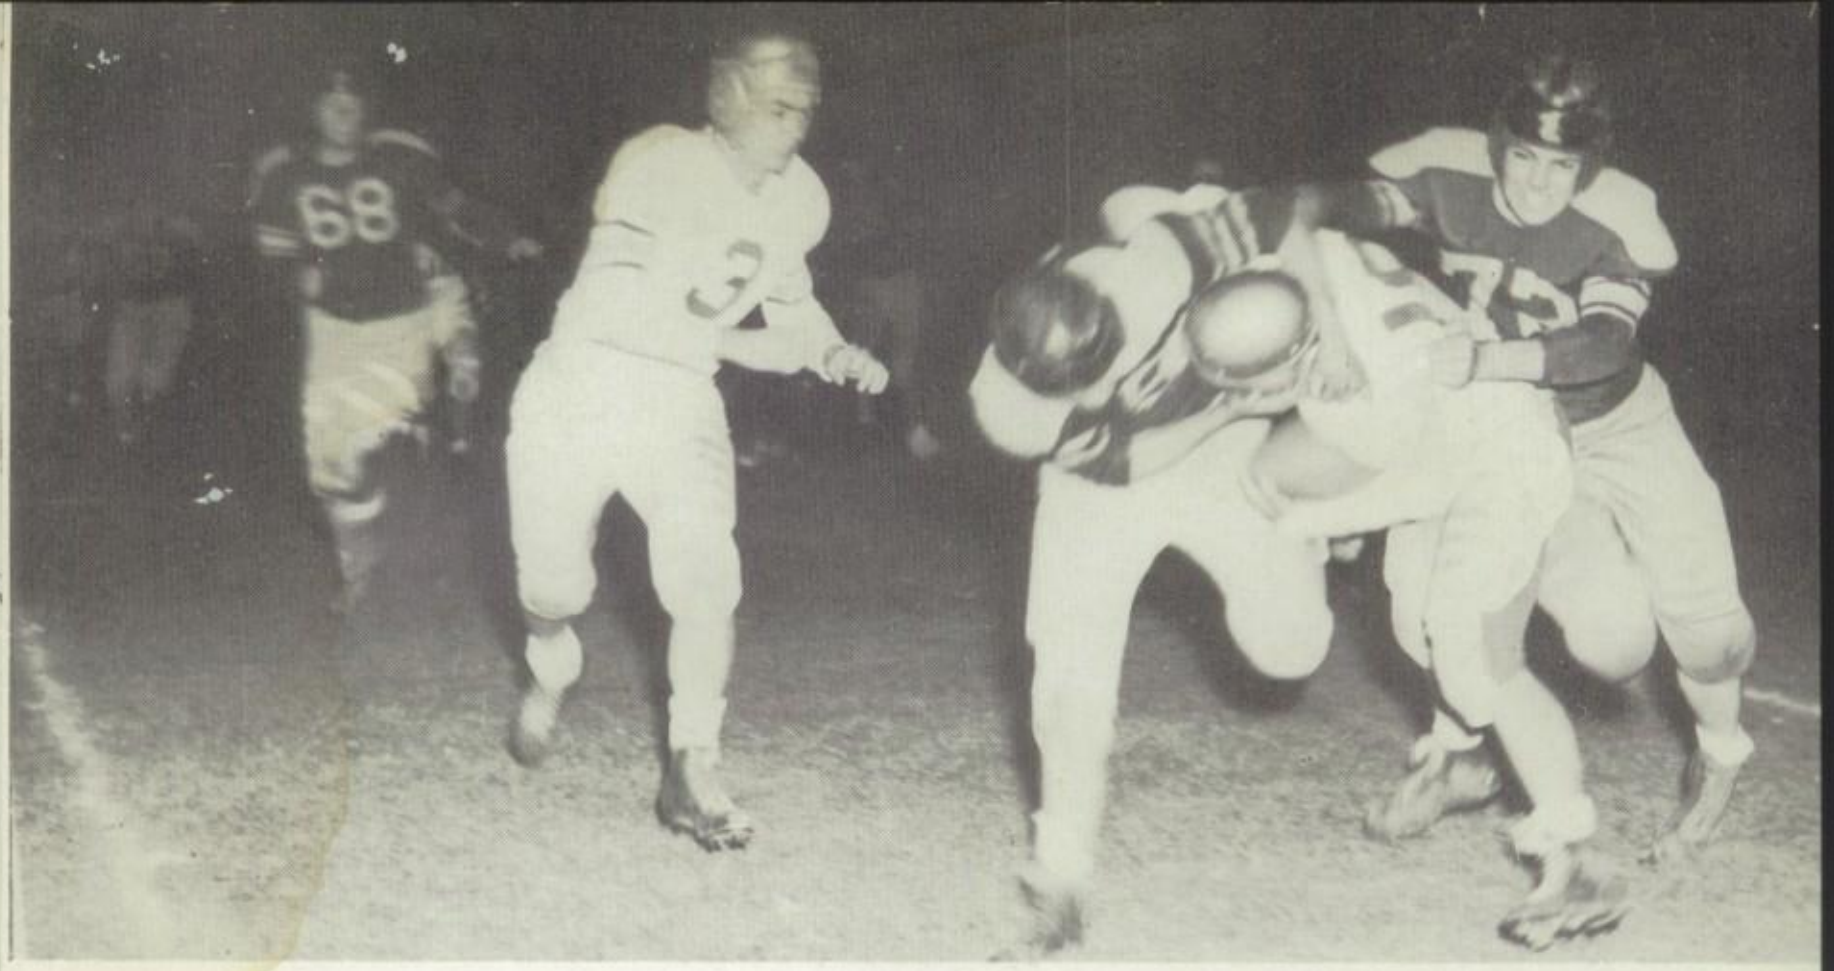
Period 5 won the intramurals with these players: Perrin, Mutz, Mirto, Hawes and Doudel.

OCTOBER



The outstanding event in October was the Red Feather Community Chest Drive. Urged on by noon activities, assemblies, and inter-class competition, the students of Lincoln went well over the top of their quota to add another successful drive to their already long list of successes.

During the Fall semester, Shirley Berry with the help of the Girls' Service Clubs, continually sent aid to our friends in Europe. Each month the Service Clubs would take on a new project. The materials and supplies were packed by the girls, and sent abroad by the Jr. Red Cross to Europe.

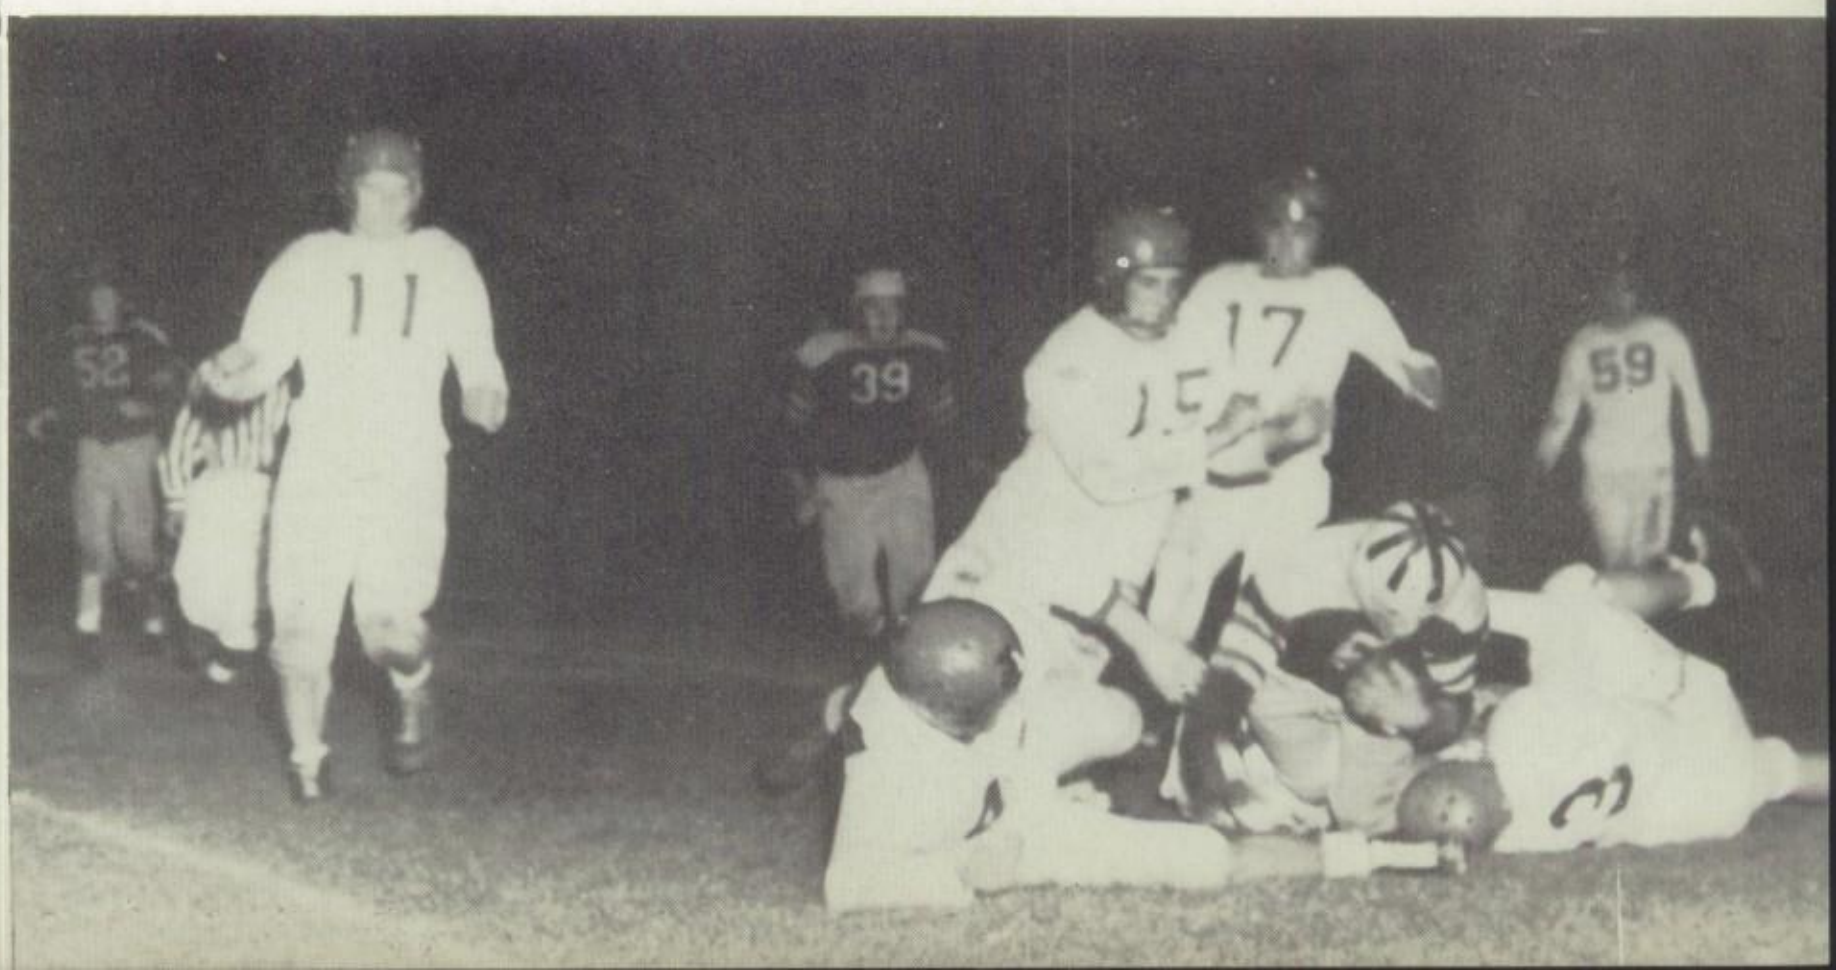


David Smith comes running in as Skip Estensen and Bill Coleman bring down a hard-to-stop back from Salinas.

Lincoln Football

The 21-7 win over Salinas marked our first football victory of the year. Mentor Lee Cox must have given his team an inspiring pep talk during the half-time because, then, the score was knotted up seven all. In the third period the Lions scored two touchdowns. Jack Herring, our quarterback, kicked the extra points. He boasted a five for five extra point try record at that time.

Four Sequoia tacklers combine to stop Bob Pagan. Lincoln's Harley Stallman and Don Nyberg are in the background.



Dick Miller tumbles over after stopping Campbell's ball-carrier. Wally Perry is above him.

Third in P.A.L.

Palo Alto's 32-28 victory ended one of the hardest fought games of the season. Johnny Bettencourt of Paly climaxed the duel with an 80-yard kick-off return into pay dirt. Lincoln was handicapped throughout the game with injuries. Jimmy Unger, Lions' halfback, and Lincoln center Jim Morton were among the injured. These two Lincoln stars were voted to the all-P.A.L. team at the close of the season.

Halfback Jim Unger is brought down hard following a small gain in the Palo Alto game.

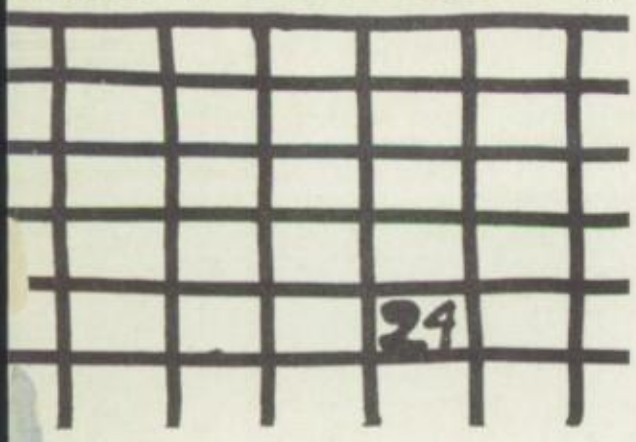
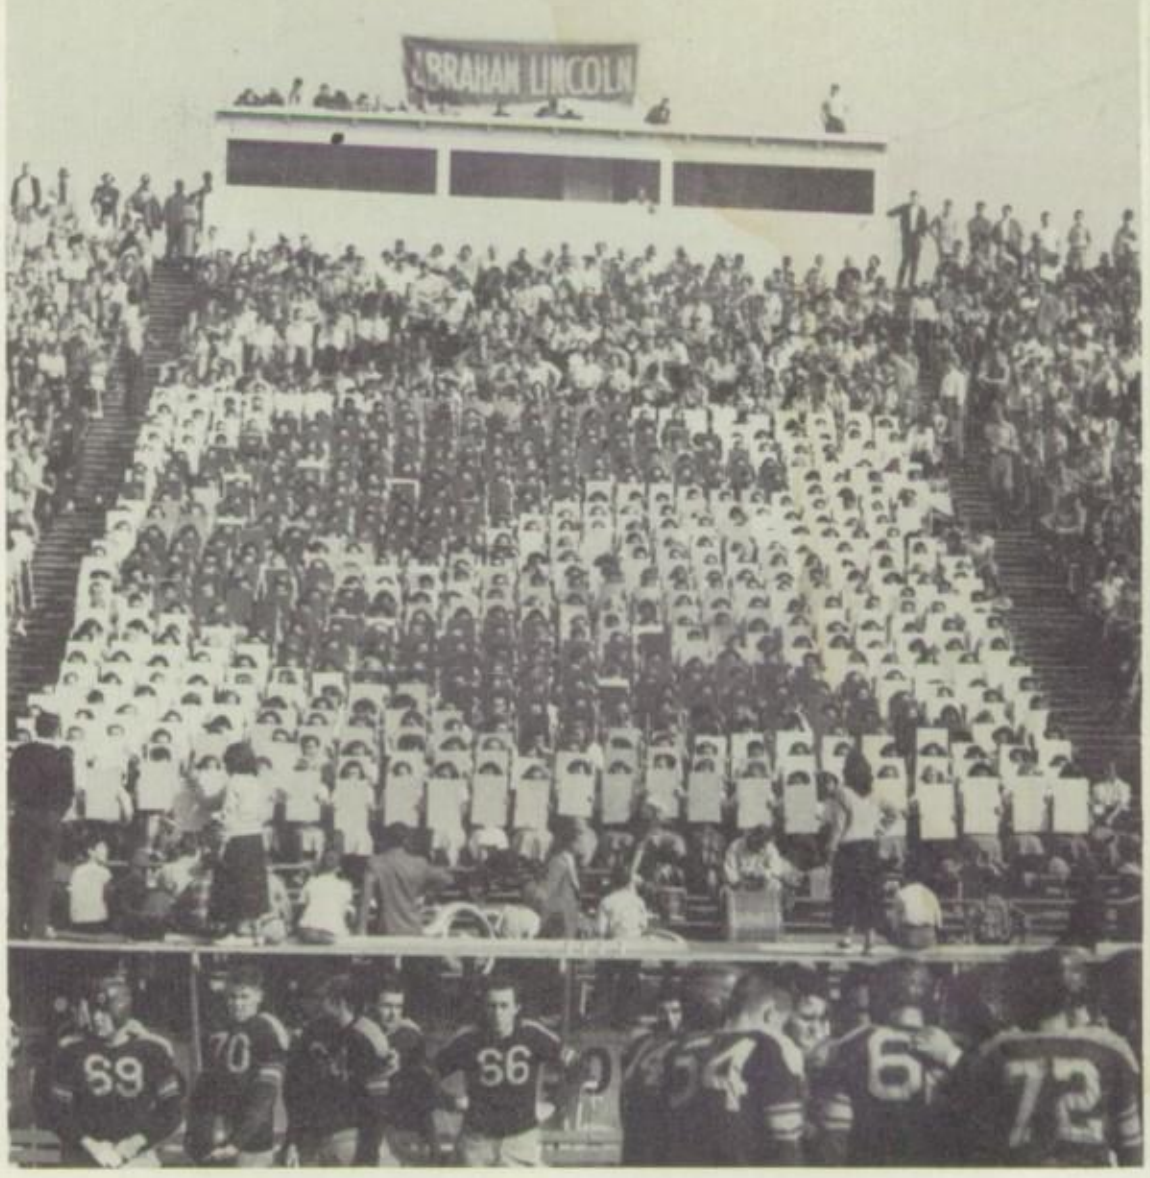
Girl's Jinx

The Girls' Jinx is a semi-annual affair in which all Lincoln girls take an active part. "Pajama Jinx" is usually the theme for the fall affair, while other imaginative ideas are carried out for the spring Jinx.

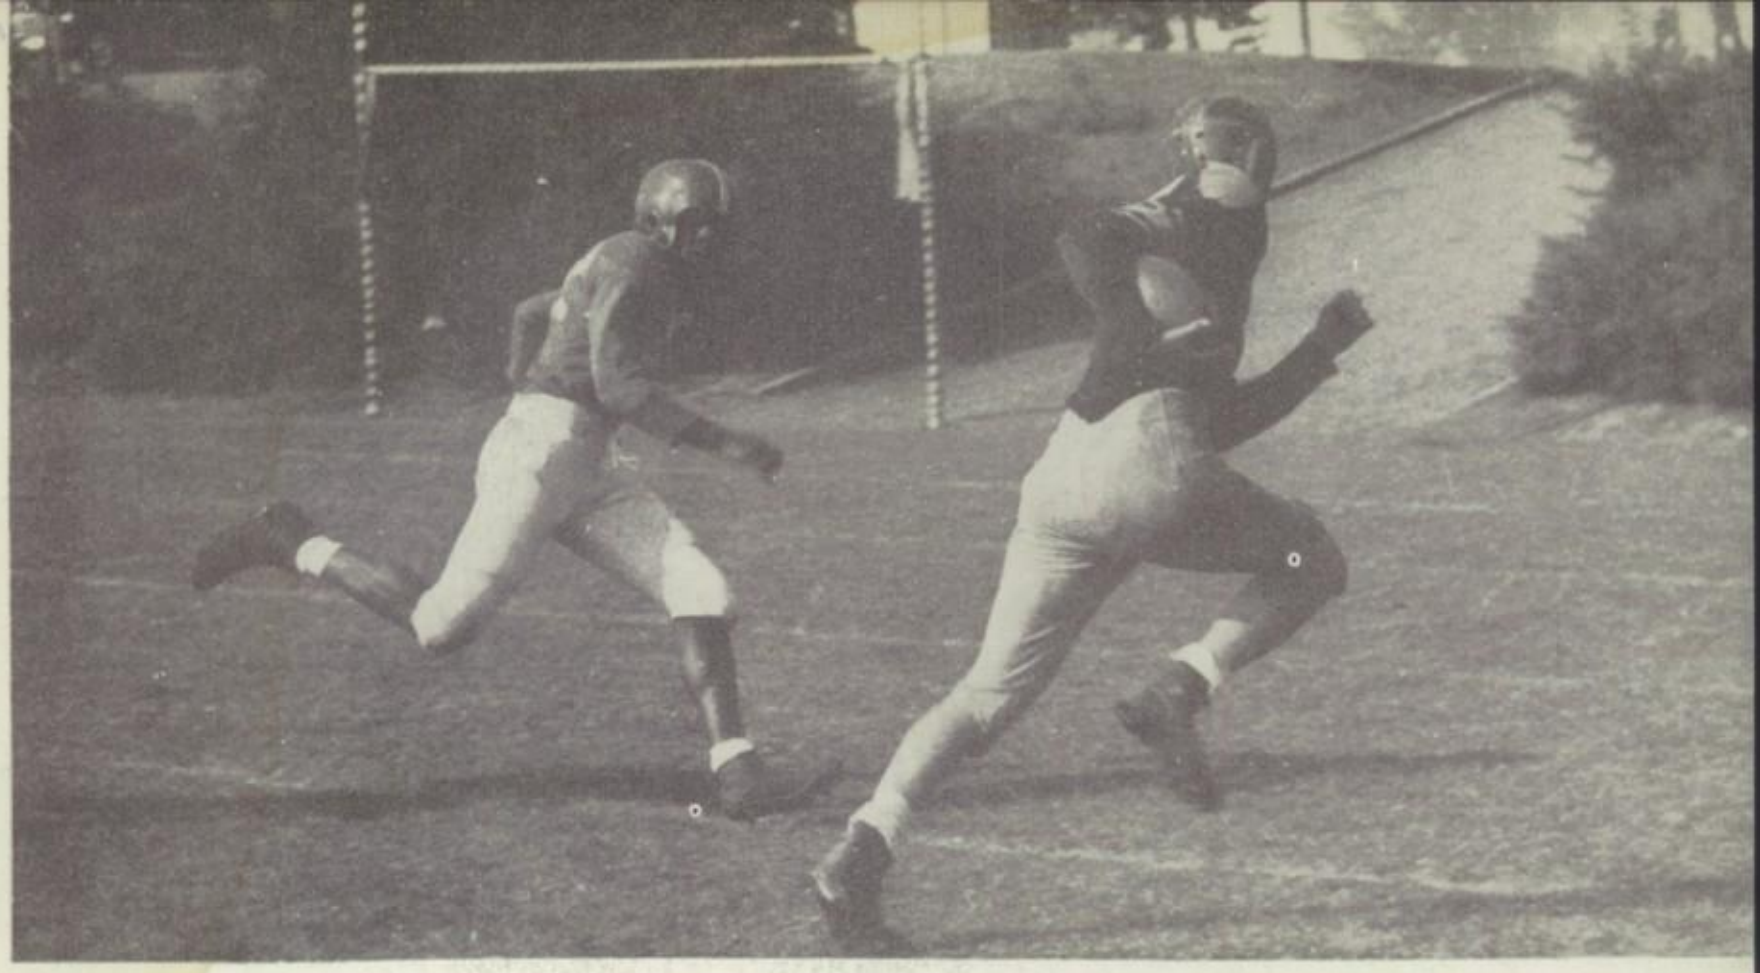
This spring the chosen theme was "I Wish I Were." As usual, prizes were awarded for the best groups and individual costumes. Sharla Magne took first prize this spring with Lamana Le coming in second. Pictured below are the individual winners.

NOVEMBER





Despite our loss of the Rooters' trophy to San Jose, our rooting section was better than ever. Our card tricks were done very well. The trophy was started this year by the alumni of San Jose High. We sincerely hope that Lincoln wins this Rooters' trophy next year. If Lincoln spirit remains as high as it always has been, the trophy will be ours. Exceptionally sensational spirit was demonstrated by Lincoln at the Burlingame game when our team was lagging 20 to 0 at the half. The rooting section stood and cheered tremendously for five minutes, spiriting our team to a smashing touchdown! Unfortunately, the score remained 20-6.



Jack Herring scampers to within a few yards of Lincoln's paydirt in the San Jose game.

Our first score of the game came on this pass play from Wilbur Lee to Harley Stallman.

Golden Axe

To be a member of the Golden Axe is perhaps the greatest ambition of the Lincoln student. Belonging to this organization is a privilege that may be won by any member of the student body who is willing to work for others, energetic, and eager to be of service. Golden Axe was established seven years ago by our first student body. They felt that the success and glory of our school depend on the the tasks well done here at home. Therefore, credit is given for services rendered, whether large or small, in sports, art, music, or student activities.

Membership is earned by a point system. Golden Axe points are awarded on a basis of student participation in school affairs. To be a member, one must have 450 axe points or enough to qualify in the top 5 per cent of the student body.

At the mid-term an installation banquet was given by the old members for the new ones. Outgoing President Jim Morton awarded Con Mendler an honorary membership in Golden Axe. Other fall officers were: Don Ansok, Vice-President; Barbara Kinkaid, Secretary.

Spring officers are: Blaine Harper, President; Vice-President, Gloria Silva; Secretary, Diane Norris.

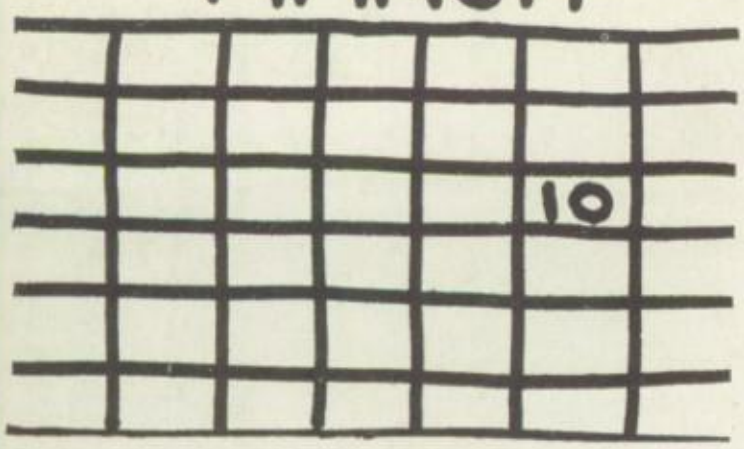
MARCH



"Danny Dither"

"Danny Dither", Lincoln's annual operetta, was presented on March 9, 10, and 11 at Woodrow Wilson Junior High.

Lead roles were as follows: Danny Dither, Ed Erwin; Daisy, Lorraine Galeener; Lucifer Lucas, Bill Coleman. Angels were played by Laura Ferguson, Joyce Osborne, and Joanne Hartzler.

Mrs. Britton's sixth period dance class originated folk dances from the different countries, and played the parts of the city brats.

Faculty advisors were T. O. Stevens, musical director; Mr. Morrissey, dramatic director; Dorothy Britton, production director.

Pictured above are boys who took first place honors against San Jose High School. Left to right are: Bob Green, Skip Hill, Phil Robinson, Jack Herring, Wilbur Lee, Warren Stannard, Sam Bruno.

A dream come true at last! The ALHS swimming pool is completed and ready for action. Our honorary student body member, Con Mendler, cuts the ribbon for the opening of the new gym, and a dream comes true.

Our new gym was officially opened on April 12, when Con Mendler cut the tape. This gym has been in the process of being built for close to four years. Con Mendler put up $10,000 and the Dad's Club sponsored a drive for collecting money. It was started off when Lincoln presented "The Big Splash" in 1947. It has been a long wait, but the students realize their great fortune at having a gym such as this at their disposal.

Lincoln High Student President Bob Fox started "Do Right" Week with a special assembly describing the Do Right Principle and its advantages. All week blaring bulletins and posters proclaimed the Honor System, warning us to preserve it!

To inspire competition during the "Danny Dither" ticket sale, the social studies classes sponsored a "Queen Contest". The Sophomore queen was Gail Miley; Junior was Carolyn Wood, and winning queen was Senior Bonnie Beer. She was crowned at the opening performance of the operetta by Student Body Vice-President Marion Hughes.

A vigorous publicity campaign was waged by Miss McClay's classes with Marlene Zisch as overall chairman. The poster opposite was made by a committee consisting of Diane Norris, chairman; Arden Tree, and Vernon Barlow.

The Senior Play of 1950 --- "Cock Robin"

The Seniors of 1950 presented "Cock Robin." This play was a murder mystery designed to keep you in suspense. Those who went to the play found out why the nasty McAuliff killed his star actor, and why Carlotta did not go to Paris, and why Dr. Grace plotted MURDER.

Comment: This was one of the most interesting and entertaining Senior productions ever presented.

This year the National Assemblies brought a real treat to Abraham Lincoln. They were the nation-wide known Mississippians, performing for one of the most enthusiastic audiences Lincoln students have ever participated in.

Con Mendler was presented with a cake and a radio for his birthday by the Lincoln High student body.

The bank staff made a trip to San Francisco. They are shown here inspecting Southern Pacific offices.

Receivers of Gold Keys, which are regional awards in the Scholastic Art contest, were five students from Miss Lannis' fifth period class. They include from left to right, Diane Norris, Barbara Behnke, Gloria Joerger, Maryanna Brady, and Diann Day.

Mr. Stevens, the orchestra, and the combined choir and chorus are shown rehearsing for the Spring Concert.

MR. FREDERIC T. SHIPP

The student body of Abraham Lincoln High School is both sad and happy to say goodbye to our principal, Mr. Frederic T. Shipp. The sadness is, of course, just selfishness. We hate to end our long and pleasant association with our principal and his family. Tom and Joann have been important and popular members of our school family; Mrs. Shipp has shown a friendly interest in our activities far beyond the accepted duties of a principal's wife. We know that our Lincoln today with its self-government, its Do Right motto, and is unprecedented school spirit is the direct result of Mr. Shipp's philosophy of education and his profound interest in the problems of young people. We like him; we like the fact that he has always been accessible to help us by talking things over. However, because of the sincere affection we feel towards him we are happy for him in his new position. We congratulate him on his well-deserved advancement.

It seems to us that the finest compliment we can pay our principal is to continue to hold dear the high standards he has helped us set, and we offer this book as a pledge to maintain the spirit of his ideals at Lincoln.
